## Democracy Triumphant in Tuesday's Election!

From the North, East, South and Pilot Knob, with her deserted mines, idle furnaces and empty houses, gives a Republican protection majority. West Comes the Glorious News!

> Missonri Serds a Solid Democratic Delegation to Congress and Chooses a Legislature that Will Re-Elect Sepator Vest. Light Weight in the Sonp and Byrns Victorious!

The returns, so far as received, give assurance of a glorious Democratic victory Tuesday. The good news is not confined to any particular section or district, but comes from all over our good land.

The Democrats have elected their candidate for Governor in Massachusetts, and made gains of several Congressmen. Equally good news is reported from Pennsylvania, New York, Indiana, Iowa, Nebraska, Illinois and other Republican States. In Missouri the Democracy has done herself proud. For the first time in many years we have a solid Democratic delegation in Congress, even Wade in the Thirteenth District has failed of election. Byrns has beaten Light Weight by a majority between 1,500 and 2000.

In Iron county, as will be seen by the official vote published elsewhere, the Democrats did their whole

The Legislature of New York is a tie, with a Democratic Lieutenant-Governor to cast the deciding vote, which means a Democratic Senator from the Empire State. A gain of seven other Legislatures that elect Senators this winter is reported, and even New Hampshire will choose a Democrat to succeed

Pattison, Democrat, is elected governor of Pennsylvania by 5000 plurality.

The next House of Congress will be Democratic by at least 70 majority. McKinley and Foster are both defeated in Ohio, and Democrats chosen in their stead. Hurrah for Byrns! Flowers and tears for Light Weight and the Iron county "statesmen."

Democrats, let us be joyful and give thanks for the glorious blessing of Tuesday! In St. Louis the entire Democratic ticket, with one

exception, is elected by majorities ranging from 600 to 9,000, thanks to the Australian system of voting which gives us a free ballot and an honest count.

#### LOCAL BREVITIES. It was a beautiful day and the bare-footed Democracy was out in force.

The dance at the Academy of Music proved a pleasant affair and was well attended. The Democrats at Pilot Knob are few in number, but they're loyal all right enough. The M.
